REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of records fails to teach or suggest the following:

A multi-channel network monitoring apparatus for the monitoring of traffic in a broadband telecommunications network, the apparatus comprising (inter alias):

- a plurality of input connectors for receipt of network signals to be monitored, a plurality of channel processors mounted within a chassis, each for receiving and processing a respective incoming signal to produce monitoring results for onward communication, each channel processor being arranged to operate independently of each other and being replaceable without interrupting their operation, and a switching unit; wherein the input connectors are connected to the channel processors via said switching unit, the switching unit for routing each incoming signal to a selected channel processor and being operable to re-route an incoming channel to another selected channel processor in the event of processor outage, as indicated in independent claim 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
